

2004 Rabies Clinics

Sponsored by

the South Carolina Department of Health and Environmental Control
and Area Veterinarians

The York County Health Department, this year, will sponsor clinics for the vaccination of cats and dogs against rabies in York County. The veterinarians listed below in York County will offer the rabies vaccine at the reduced rate in their offices during normal office hours for the entire month of April. The York County Health Department urges every cat or dog owner to keep their pet's vaccination current. The fee at the clinics will be **\$3.00 per cat or dog**. Please bring exact change.

STATE LAW REQUIRES THAT EVERY CAT AND DOG BE VACCINATED AND THAT THE ANIMAL WEAR A TAG AROUND ITS NECK SHOWING PROOF OF ITS VACCINATION.

ALL VETERINARIANS HAVE REQUESTED THAT OWNERS MUST BE ABLE TO CONTROL THEIR ANIMALS AT ALL TIMES EITHER BY LEASH OR BY PET CARRIER.

The following veterinary clinics will honor the \$3.00 vaccination fee in the office during the month of April only.

Carolina Place Animal Hospital
